Todd,

Attached is an update on the Marlex supply issue for the Pelvic Sling, with input from George Vialle, Global Supply Chain Director, and Charlie Smith, Urology R&D Director

- Testing is going well, expect to complete validation in Mar '12
- Team is 90% confident material will be approved
- 34K lbs being purchased = 25+ yr supply

Please let me know if you have any questions.

~Ann
